

Inclement Weather Policy

In case of inclement weather please phone the office and/or check the [Aqua Culture Facebook](#) page to confirm the status of the Aqua Culture Programming.

The office message will reflect the current status of classes and will be updated as conditions change. We are a family centered facility and we take the health and safety of every participant very seriously. With that in mind, we will evaluate closing the facility and canceling programming based on the currently available weather and travel information. Be sure to take advantage of Gratitude Days even if you don't miss a lesson due to the weather.

If Aqua Culture closes due to weather we will adhere to the following cancellation policies:

*Morning classes (10am-12pm) will be cancelled by 9am
If we close there will be no practice time from 12pm-1pm

*Afternoon classes (1pm-3pm) will be cancelled by 12pm
If we close there will be no practice time from 3pm-4pm

*Evening classes (4pm-8pm) will be cancelled by 3pm
